SECTION H HPV DNA TESTING

STUDY ID

This section applies only to women who have had an HPV test the result of which might have impacted on the clinical management. If HPV testing becomes routine this information will be recorded in section B.

Date of Sample D D M M Y Y Y Y	Result (+/-)	Type of Test (e.g. HC-II, GP5+/6+)	Name of Study (e.g. HART, Triage pilot, ARTISTIC, TOMBOLA)	Other Details (Threshold (if non-standard), HPV types, Context (dual testing, triage))

(End)
